ANGELICA JONES

Katy, Texas 77449 | 832-782-8991 | Gel22590@gmail.com | Portfolio: angelicajones-web.github.io/all-about-angel

PROFESSIONAL SUMMARY

Customer support professional with more than 15 years of experience resolving payment, device, and service issues by phone and in person, and leading teams of up to 50 employees. Completing an Associate of Science in Cybersecurity in December 2026 with coursework in networking, TCP/IP, and troubleshooting. Seeking a remote customer support role with room to grow into IT support. Home workspace with high-speed internet, ready for remote phone and written support with ticket documentation.

SKILLS

Customer support: Phone and written communication, issue resolution, payment and transaction troubleshooting, accurate documentation, training and team leadership.

Systems and networking: Windows, Linux, networking fundamentals, TCP/IP, wireless networking, troubleshooting fundamentals.

Software and web: Microsoft Office, Excel, Google Sheets, SharePoint, FileZilla, Python, HTML, CSS, JavaScript, Bootstrap, GitHub Pages.

PROFESSIONAL EXPERIENCE

Walmart | Fuel Station Associate | 2025-2026

- Helped customers resolve payment and transaction issues and troubleshot routine point-of-sale problems.
- Processed high-volume financial transactions while following procedures to protect customer information.

Titan Transit | Amazon Delivery Driver | 2023-2024

- Managed routes of more than 200 packages daily while meeting delivery schedules.
- Used handheld devices and navigation apps to follow routes and customer delivery instructions, and troubleshot navigation and device-connectivity issues.
- Kept accurate delivery records and handled customer address and delivery information responsibly.

La Madeleine | Assistant Manager | 2021-2023

- Supported financial reporting, budgeting, and administrative records using Microsoft Office and Excel.
- Improved daily workflows to support staff productivity and timely customer-service responses.
- Trained staff on company procedures and the responsible handling of business and customer information.

Slim Chickens | Manager | 2015-2020

- Led and coached approximately 30-50 employees in a high-volume customer-service environment.
- Supported daily use of online-ordering and point-of-sale systems and helped resolve routine issues.

Target | Shift Supervisor | 2009-2015

- Resolved high-volume phone and in-person customer requests and service issues.
- Trained team members on customer service and routine use of customer-facing technology.

EDUCATION
