PROFESSIONAL EXPERIENCE

Walmart — Fuel Station Associate | 2025

- Assisted fuel-station customers, handled transactions, maintained the work area, and followed customer-service and safety procedures.

Domino's — Team Member | 2025

- Supported customer service, order handling, and daily store operations in a fast-paced team environment.

Titan Transit — Amazon Delivery Driver | 2024–2025

- Completed high-volume delivery routes of more than 200 packages per day while maintaining accurate delivery records.
- Managed route timing, delivery instructions, and safe handling of goods while following company and traffic-safety requirements.

La Madeleine — Assistant Manager | 2021–2024

- Supported customer service, data entry, financial reporting, budgeting, staff leadership, training, and complaint resolution.
- Helped maintain food-safety, cleanliness, company-policy, and regulatory standards across daily operations.

Slim Chickens — Manager | 2015–2020

- Led and mentored teams of approximately 30–50 employees, managed online orders, and supported sales, customer service, and employee development.
- Implemented procedures, resolved customer concerns, and enforced food-safety, cleanliness, operational, and regulatory standards.

Target — Shift Supervisor | 2009–2015

- Coached and trained team members on guest-service standards, resolved customer issues, and supported sales and daily operations.
- Monitored stock levels, product placement, expiration dates, and product condition while supporting health and safety standards.

EDUCATION

Champlain College Online — Associate of Science in Cybersecurity | Expected 2027

REMOTE WORK READINESS

Dedicated, quiet home office • Dual-monitor workstation • High-speed wired internet • Professional setup for remote customer service, technical support, data entry, and administrative work
